- 6. Financial Statements
- 7. Auditor General's Report

#### VISION

The excellent transport provider in the region.

#### MISSION

To provide the public a safe, dependable and comfortable road passenger transport at a reasonable fare system through a staff dedicated to service and obtain the maximum utilization of all resources functioning as a financially viable organization.

### **AIMS & OBJECTIVES**

- 1. To Promote a qualitative and quantitative and efficient and effective bus service through 12 Regions by monitoring, coordinating and counseling.
- 2. To provide a satisfactory bus service to school going children.
- 3. To provide bus services on uneconomic routes which are neglected by private operators due to pecuniary considerations.
- 4. To provide long distance services to remote areas from Central Bus Station, Pettah.
- 5. To coordinate the public and the private sector transport agencies.
- 6. To coordinate bus services during festivals, special events, Parliamentary/ Provincial Council elections etc.
- 7. To transport mails and newspapers.
- 8. To coordinate between General Treasury, Regions, National Transport Commission, Provincial Councils, relevant Ministries and other related agencies for operation of buses.
- 9. To provide well trained and disciplined drivers from SLTB Driver Training Schools.
- 10. To conduct seminars/ Workshops for drivers, conductors, mechanics and supervisory staff.
- 11. To provide units/ sub units produced by Provincial Workshops to Depots.
- 12. To provide season tickets to adults and students at attractive discounted rates.
- 13. To maintain a Transit Stores at S.L.T.B Head Office, Narahenpita for issue of critical spare parts to Provincial Workshops.
- 14. To conduct security investigations, Flying Squad checks etc. in Depots.

### INTRODUCTION

All aspects of transport, no doubt are vital for the economic development of the country. This is specially so, in the case of road passenger transport. In a developing country like Sri Lanka bus services play an important role in connecting towns and villages and thereby linking the whole country.

Bus services in the Island provided by about 80 operators who totally operated about 1200 routes and 3532 registered buses were nationalized by Motor Transport Act No 48 of 1957 on 1957.10.31 and consequently the Ceylon Transport Board (C.T.B) came into being on 1958.01.01

Since then up to 1977 C.T.B enjoyed a monopoly status with regard to road passenger transportation. In 1978 C.T.B was decentralized into 10 Regional Transport Boards coordinated by the Sri Lanka Central Transport Board by Transport Board Law No 19 of 1978.

The Government was of the view that decentralization of C.T.B. would serve the needs of the travelling public more efficiently and effectively as smaller units were expected to be more sensitive to local and regional needs and be capable of providing quicker solutions to local transportation problems.

However, in response to continued escalatory deficits being incurred by CTB and its inability to meet the ever increasing passenger demand generated by the new concept of liberalization of the economy the private sector was permitted to enter into road passenger transportation.

The Government with a firm belief in privatization earmarked C.T.B for peoplisation as part of a public sector restructuring. The above conversion was carried out under the Conversion of Public Corporations or Government Owned Business Undertakings into Public Companies Act No 23 of 1987. Each of the 93 Transport Board depots existing at the time of peoplisation became separate Limited Companies with governance by a Board of Directors chosen mostly from the employees. Half the number of shares was distributed among the employees and the balance was retained with the General Treasury. The peoplisation Program commenced in 1990 and concluded in 1994. As peoplisation was implemented in a haphazard method the desired results were not achieved.

Therefore, in 1997 Bus Companies were clustered by an amendment to the NTC Act No: 37 of 1991 and the Cluster Bus Companies were formed but this, too, failed to achieve the desired results. Excess staff, serious breakdown in discipline, unfair competition, social obligations, lack of professionalism, inefficiency, escalation of operating costs, political and trade union undue interference, rampant corruption are some of the maladies that affected the Cluster Bus Companies.

In order to find a solution to the above problems the Sri Lanka Transport Board was established effective from 2005.10.19 by SLTB Act No: 27 Of 2005.

#### Message from the Chairman

It gives me great pleasure in presenting the Annual Report of the Sri Lanka Transport Board (SLTB) for the period 2019/01/01 to 2019/12/31. I assumed duties as Chairman of the SLTB on 2019/12/27 and as I was the Chairman of the SLTB for the under review I am issuing a message for the Annual Report for the year 2020.

The SLTB is one of the largest State Institutions in Sri Lanka. Prior to nationalization the transport system was organized by a handful of private bus owners. As it was unjust that the national wealth should be concentrated in the hands of a few individuals and as it was also manifestly obvious that the national wealth should be evenly distributed among the people of this country the bus services were nationalized. It is therefore proper that the management and the employees should realize that the progress of the SLTB depends largely on their endeavours.

In the year under review the average number of buses operated by the SLTB was 3961 and the total number of kmm. operated was 25.7 Mn. and when compared with last year there is a decline of 94% which amounts to about 405.6 kmm.

The waybill revenue for the year 2020 was Rs. 16,787.3 Mn. and this was Rs. 27,441.6 Mn. in the year 2019. Accordingly when compared with last year there is a decline in revenue of Rs. 10,654.3 Mn. which amounts to 38.82%. The decline in revenue for the year 2020 is directly attributed to COVID 19 Pandemic which was spread throughout the country from March 2020. The operational loss for the year 2020 was Rs. 2,104.9 Mn. and when this is compared with the year 2019 there is a decline of 443%.

893 engines, 999 gear boxes and 710 bus bodies were repaired with the funds made available by the General Treasury. Though the number of bus trips were increased and early morning and late night services were operated with a view to reduce congestion in buses, I wish to remind that due to the lockdown of the whole country and isolation of various Regions from time to time and the uncertain situation that prevailed as a result of widespread COVID 19 Pandemic from 19<sup>th</sup> March 2020 it was not possible to operate normal bus services or perform other operational activities. However, I wish to mention that I am pleased to note that during that period as an essential service in the country the SLTB provided bus services to transport employees in essential services such as the health sector and other State Institutions, Covid patients, Covid patients' associates, pensioners to draw their pensions, Tri-forces including Police Force in a laudable manner.

Mainly due to the spread of COVID 19 Pandemic during the year 2020 the financial performance of the SLTB was adversely affected. Currently the situation is improving and now the SLTB is releasing averagely about 5,100 buses daily for operation out of which 4,600 buses are operated. The average daily waybill revenue is about Rs. 112 Mn. Further I wish to mention that the adjustment of salaries of PL I, PL II and PL III category of employees in terms of Department of Management Services Circular No. 02/2016 have now been completed by the SLTB.

I am very glad about the contribution made by the entire staff of the SLTB and the Board of Directors to achieve the vision and mission of the SLTB. I wish to express my thanks to the Hon. Minister of Transport, Hon. State Minister of Transport for Motor Vehicle Regulation, Bus Train Services and Train Compartments and Motor Car Industry, Secretaries of both Ministries, officials of the General Treasury and all other stakeholders who have shown encouragement and determination for helping me to implement the policies of the Government.

We possess the ability and determination to withstand the onslaught of COVID 19. It is important that all of us join hands in our journey for the development and prosperity of the Sri Lanka Transport Board.

Kingsley Ranawaka Chairman Sri Lanka Transport Board

#### ✤ OPERATIONS DIVISION

- 01. The daily average number of buses released for operation during the year 2020 was 5,272 and the average number of buses operated per day was about 3,753. Average number of kilometers operated per day was about 0.81 Mn. Average daily waybill revenue earned per km. was about Rs. 56.07. Due to the COVID Pandemic that prevailed in the country there was a setback in the number of buses released for operation, number of buses operated and the number of Kmm. operated in the year 2020.
- 02. Action has been taken according to the needs to strengthen the number of trips operated by the SLTB buses in the early morning and late night services.
- 03. Considering the passenger needs action has been taken to strengthen the existing rail road coordinated services and to commence new bus services with a view to developing rail-road coordinated bus services from railway stations.
- 04. The "Sisusariya" project has developed up to 740 buses. Necessary arrangements are being made to provide more buses under this Project taking into consideration the necessity and demands of the schools and the students.
- 05. All buses have been provided with electronic ticket machines and through this project it was possible to provide a more productive and efficient bus service to the public.

#### Contribution by the SLTB for social benefits

#### Operation of early morning and late night services

Though the SLTB contributes directly to the economy by helping movement of the workforce within the country by operating early morning and late night services, the SLTB gets only goodwill. However considering this as another social obligation the SLTB continues to operate the services for the convenience of the public.

#### Bus operations in rural areas

The SLTB directly contributes as a predominant medium of transport linking the city and the village to strengthen the rural economy. Always action is being taken to continue this service considering the needs of passengers. In future, too, it has been planned to procure new buses and develop this service to give an impetus to the rural economy and also to streamline the rural transport.

#### **Operation of School buses**

For the sake of future, school children are provided with a wide range of school services. Sacrificing opportunities to earn revenue in profit making routes, in spite of its limited resources available, the SLTB provides bus services to school children taking them to schools in time and bringing them back home safely.

#### Secretariat Division

#### Meetings of the Board of Directors in the year 2020

#### Number of Meetings of the Board of Directors held in the Year 2020

01 <sup>st</sup> Meeting	-	2020.02.11
02 <sup>nd</sup> Meeting	-	2020.04.28
03 <sup>rd</sup> Meeting	-	2020.06.26
04 <sup>th</sup> Meeting	-	2020.07.24
05 <sup>th</sup> Meeting	-	2020.09.08
06 <sup>th</sup> Meeting	-	2020.10.27
07 <sup>th</sup> Meeting	-	2020.11.24
08 <sup>th</sup> Meeting	-	2020.12.29

Eight (08) Meetings of the Board of Directors were held in the year 2020.

- 01. Inform all Members of the Board of Directors and the SLTB Heads of Divisions/Sections about the date on which the meeting of the Board of Directors will be held.
- 02. Take over the Board Papers and allot them numbers and after registering them prepare files and hand them over to the Members of the Board of Directors.
- 03. Prepare an Agenda for the meeting mentioning about the Board Papers and the Circular letters.
- 04. Table Board Papers and the Circular Letters according to the Agenda and the instructions of the Chairman.
- 05. Record decisions taken by the Board of Directors and the related instructions about respective Board Papers and the Circular Letters accurately and allot them item Nos. to each such decision.
- 06. When approval is received for decisions of the Board of Directors, hand over the extracts of such decisions to the respective SLTB Heads of Divisions/Sections for implementation.
- 07. All these activities should be carried out accurately, confidentially and properly.
- 08. Provide refreshments to the Members of the SLTB Board of Directors and the other Heads of Divisions/Sections who are invited to the meeting of the Board of Directors.
- 09. Take action to pay the sitting allowance to the Members of the Board of Directors (other than the SLTB Officers) who participate at the meeting of the Board of Directors.

10. Take action to pay the Transport Allowance to the Members of the Board of Directors (other than the SLTB Officers) who participate at the meeting of the Board of Directors.

#### Carrying out activities related to the Lands and properties of the Sri Lanka Transport Board (SLTB)

(01) Basic documents such as Cabinet Memorandum and other accompanying Notes to the Cabinet of Ministers were prepared and referred to the Ministry of Transport and a Cabinet decision was obtained to vest the State Land named Anderson Golf Link in extent of 3.4125 Hectare through State Free Grant.

As per the decision of the Meeting of the Cabinet of Ministers held on 15th March 2021, further action will be taken in coordination with institutions such as Ministry of Lands / Office of the Land Commissioner General / Thimbirigasyaya Divisional Secretariat to carry out the vesting activities of the land after paying the undeveloped estimated valuation existed at 1966. (This also applies to the year 2021)

- (02) Action has been taken to obtain a copy of the Vesting Certificate under Section 44of the Land Acquisition Act relating to the land which the SLTB did not have ownership at Pothuhara Driver Training School.
- (03) Though the Land Acquisition activities for the04 Acre Rood 03 Perches 05.02 Land on which the SLTB Udahamulla Depot is located had commenced about 50 years ago, such activities had not been completed.Therefore the relevant coordination activities were fulfilled and Office of Sri Jayawardenapura Kotte was informed and the files were completed. Steps have been taken to obtain the acquisition certificate. (This applies to the year 2021 too.)

Also, the SLTB Legal Division has been instructed to take necessary action to file a case to evict the unauthorized Trade Stalls and to take possession under Retaking Possession of State Land Act and action is being taken accordingly.

(4) Action has been taken to obtain compensation assessment amount awarded by the title deed inspection for the 10.9 perches of land acquired for road development from the old Homagama bus stand land which was to be transferred to the Western Provincial Road Passenger Transport Authority and to be taken over by the Urban Development Authority as per a Cabinet decision in the year 1996.

Accordingly, action has been taken to obtain Rs. 31,045,250 / - out of the compensation amount of Rs. 31,154,750 / - to the SLTB Finance Division.

- (5) Relevant coordinating activities have been carried out by exchanging letters with the Urban Development Authority informing the Ministry of Transport to obtain the dues of the SLTB from the Urban Development Authority. But due to the delay of the Urban Development Authority, the relevant payment has not been made.
- (6) On a decision made by the SLTB Board of Directors an Agreement with conditions has been entered into for a period from 25/01/2016 to 24/01/2019 between the Sri Lanka Transport Board and the Sri Jayawardenapura Kotte Municipal Council for the development activities of the Sri Jayawardenapura Kotte Municipal Council limits after obtaining the Government Valuer's report.

25/01/2016 -24/01/2017 -	Rs.2,260,000/-
25/01/2017 -24/01/2018 -	Rs.2,260,000/-
25/01/2018 -24/01/2019 -	Rs.2,260,000/-

According to the Agreement the land was released. Subsequently, through a letter dated 22/05/2019 the Municipal Commissioner requested that this land be leased for another year (from 25/01/2019 to 24/01/2020). Accordingly, at the 4<sup>th</sup> meeting of the Board of Directors held on 07/06/2019, approval was obtained to grant the above land on lease from 25/01/2019 to 24/01/2020 under Board Paper No. 49.

Though relevant parties in the Sri Jayewardenepura Kotte Municipal Council informed several times orally and in writing to prepare and to sign the lease agreement for the relevant period and to recover the lease amount of Rs. 2,260,000/-, up to now action could not be taken either to make payment or sign the Agreement.

Further, the SLTB Legal Division is taking steps for the arbitration process regarding non-return of this land to the SLTB though the lease period has expired and for breach of contract.

- (7) According to a decision of the SLTB Board of Directors a Passengers' Lodge situated at the SLTB Central Bus Station Complex, Pettah was released on a monthly lease rental payment from 31.12.2015 to 21/12/2020.
- From 21/12/2015 to 20/12/2017, a payment of Rs. 120,000 / per month was made to the SLTB by that institution (Heshan Caterers (Pvt) Ltd.) and a receipt for the payment was issued by the Finance Division every month.
- Rental was paid at the rate of Rs. 135,000/ per month from 21/12/2017 to 20/12/2020 till February 2020. The Finance Division issued a monthly payment receipt for same every month.
- Further, after the termination of this agreement Board Paper No. 86 was submitted to the 07<sup>th</sup>SLTB Board of Directors Meeting for the year 2020 and according to a decision of the Board ,approval was given to recover the pre- lease value of Rs. 135,000/- for the future months and accordingly the Finance Division has received the money and issued receipt.
- (8) A title No. 12491 was obtained from the Land Reform Commission for Rs. 109,000/- for a portion of the land situated at MulatiyanaDiddenipothawaththa in SLTB Hakmana Depot in extent of (03 acres 02 roods 23.4 perches).
- (9) A title No. 12559 was obtained from the Land Reform Commission for Rs. 109,000/- for a portion of the land situated at St. Georgewaththa in SLTB Mathugama Depot in extent of (10 acres 00 roods 00 perches).
- (10) The Land Reforms Commission is in the process of obtaining a deed for Lot Nos. 01.02 for Plan No. 809 from Udabagewatta (lower section) land at Deraniyagala Depot of the Sri Lanka Transport Board.
- (11) Under the SLTB Fuel Filling Station Project the construction work of the SLTB Orugodawatta Fuel Filling Station is currently in the final stages and it has been decided to hold a special discussion soon under the chairmanship of the Chief Executive Officer to take further steps in this regard.
- (12) Applications and documents of the Koggala, Mawanella, Embilipitiya Fuel Station Project have been handed over to the Ceylon Petroleum Corporation under the 2020 Budget Proposals and survey plans have been prepared for the relevant land sand then referred to the Procurement Section to prepare designer plans.

- (13) The approval of the Board of Directors has been obtained by now for the reconstruction of Nuwara Eliya Circuit Bungalow No. 01 and further steps will be taken after the completion of the survey of the land.
- (14) The land allotted for the LaggalaPallegama Circuit Bungalow has been assigned to the Survey Department for surveying.

#### Security Section

- 1. To provide security for SLTB Regional Offices, Depots, Regional Workshops and other institutions.
- 2. To investigate complaints, media reports and occurrence of malpractices etc. involving SLTB.
- 3. Maintenance and supervision of fire protection system in the SLTB premises.
- 4. Issue of identity cards to all SLTB employees.
- 5. Conduct surprise inspections and maintaining discipline in the SLTB.
- 6. In case of emergency take action to safeguard the property and the life of all SLTB employees and coordinate with other institutions.
- 7. To provide security to Ministry of Transport and the National Transport Medical Institute and earn income through such services.
- 8. To provide security to Ministry of Transport and State Ministry of Transport offices.

#### Engineering Division

#### Details of engines, gearboxes and bus body repairs for the year 2020

#### LEGAL DIVISION

Handling all legal activities pertaining to cases filed by outside parties against all Regional offices and depots belonging to the SLTB and cases filed against outside parties by the SLTB in all Courts throughout the Island

Under this:

- (i) Appearance by Legal Officers in Courts for SLTB cases wherever possible
- (ii) Preparing documents for relevant cases.
- (iii) Instructing Court Officers in Regional offices and the depots.
- (iv) Coordinating such officers with outside attorneys-a-law and the State attorneys at the Attorney-General's Department.
- (v) Engaging in legal activities by participating in legal consultations with State Attorneys at the Attorney-General's Department.
- 01. Giving necessary legal instructions on legal and administrative disputes to SLTB Head office, Regional Offices, Depots and other Units.
- 02. Preparing Lease Agreements, Supplies Agreements, Security Agreements and the General Agreements the SLTB enters into with outside Parties.

- 03. Giving necessary instructions to the Secretariat Division in disputes about SLTB lands and participating in discussions with outside Parties and preparing reports and taking necessary action to ensure ownership of SLTB Lands.
- 04. Whenever necessary, preparing Cabinet Memoranda when Chairman refers disputes to the Legal Division.
- 05. Submitting papers to the Board of Directors regarding the future steps to be taken in cases.

Due to the COVID 19 Pandemic, the courts were suspended from time to time due to the imposition of curfew and cases were pros pond from time to time in the year 2020.

According to the above the Legal Division with the Legal Consultant, Chief Legal Officer and the Assistant Legal Officers were carrying out their duties. As it is a complex task to prepare a report listing out all duties performed in respect of subjects shown above by these officers in the year 2020, a list of duties specially carried out by the Legal Division in the year 2020 is given below.

- (i) 87 Summons were received in the year 2020 from Magistrate's Courts and 55 Summons received from District Courts and 16Labour Tribunal Applications and 04 Arbitration Tribunal Cases and 02 cases from the Supreme Court and 02 cases from Court of Appeal and in all 166 summons were handled in the year 2020 and action is being followed up in all cases.
- (ii) 07 Agreements were prepared by Legal Division in the year 2020.
- (iii) Preparation of the Cabinet Memorandum amending the Sri Lanka Transport Board Act and forwarding it to the Ministry of Transport Services Management.
- (iv) Submitting amendments to be made by the SLTB to the said Amendment Bill when amending the National Transport Commission Act.
- (v) Conducting a training workshop for Court Assistants in all SLTB depots on court activities.
- (vi) Referring the observations of the Legal Division to the Deputy General Manager (Administration) to amend the existing Disciplinary Rules of the SLTB.
- (vii) Providing necessary legal advice to the Human Resources Management Division to issue a Circular stating that disciplinary action should be taken against serious / non-serious misconduct committed by casual / contract employees in the SLTB.

# Significant Accounting Policies

# 1. Corporate Information

# 1.1 Reporting Entity

Sri Lanka Transport Board is a statutory board enacted by the Parliament under the SLTB Act No. 27 of 2005. The registered office of the Board is located at No 200, Kirula Road, Colombo 05 and the principal place of business is situated at the same location.

Sri Lanka Transport Board (SLTB) is an institution that is under the purview of Ministry of Transport.

# 1.2 Principle activities

During the year, the principal activity of the Board is to provide road passenger transport to the community. The objectives of the Sri Lanka Transport Board are to provide the public a safe, dependable and comfortable road passenger transport at a reasonable fare system.

### 2.Basis of Preparation 2.1 Statement of Compliance

The Financial Statements have been prepared in accordance with Sri Lanka Accounting Standards (SLFRS/LKAS) as issued by the Institute of Chartered Accountants of Sri Lanka. For all periods up to and including the year ended 31st December2020, the SLTB prepared its financial statements in accordance with Sri Lanka Accounting Standards(SLAS). These financial statements for the year ended 31st December 2020 SLTB has prepared in accordance with the new Sri Lanka Accounting Standards (SLFRS/LKAS)

The Financial Statements comprise the statement of financial position, statement of comprehensive income, statement of changes in equity, statement of cash flows and notes to the financial statements.

## 2.2 Basis of Measurement

The Financial Statements have been prepared on the historical cost basis.

## 2.3 Comparative Information

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amount reported in the financial statements in order to enhance understanding of the financial statements of the current period and to improve the inter period comparability.

The accounting policies set out below have been applied consistently to all period presented in these financial statements, unless otherwise indicated.

When the presentation or classifications of items in the financial statements have been amended, comparative amounts also have been reclassified to conform with the current year in order to provide a better presentation.

# 2.4 Use of Estimates and Judgments

The preparation of Financial Statements in conformity with Sri Lanka Accounting Standards (SLFRSs) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

Judgments and estimates are based on historical experience and other factors including expectations that are believed to be reasonable under the circumstances. Hence actual experience and results may differ from these judgments and estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future period if the revision affects both current and future period.

# 2.5 Assets and the Bases of Their Valuation

Assets classified as current assets in the Statement of Financial Position are cash, bank balances and those which are expected to be realized in cash, during the normal operating cycle of the Board's business, or within one year from the reporting date, whichever is shorter. Assets other than current assets are those which the Board intends to hold beyond a period of one year from the reporting date.

# **3. Significant Accounting Policies**

The principal accounting policies adopted in the preparation of these financial statements are set out below.

# 3.1 Property Plant and Equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

# (a) Owned Assets

The cost of an item of property, plant and equipment comprise its purchase price and any directly attributable costs of bringing the asset to working condition for its intended use. The cost of self constructed assets includes the cost of materials, direct labour, and any other costs directly attributable to bringing the asset to the working condition for its intended use. This also includes cost of dismantling and removing the items and restoring in the site on which they are located and borrowing costs on qualifying assets.

Significant components of an assets are identified and depreciated separately

# (b) Subsequent Costs

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Board and its cost can be measured reliably. The carrying amount of the replaced part is derecognized.

The costs of the day to day servicing of property, plant and equipment are recognized in profit or loss as incurred.

## (c) Depreciation

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value. Depreciation is recognized in profit or loss on a straight line basis over the estimated useful lives of each part of an item of property, plant and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Land is not depreciated.

Asset Category	Useful Life (Years)	Depreciation Rate (%)
Buildings	40	2.5%
Busses & Other Vehicles	8	12.5%
Plant & Equipments	10	10%
Furniture & Fittings	10	10%
Computers	4	25%
Bus Engine	5	20%

The estimated useful lives are as follows:

Depreciation of an asset begins when it is available for use where as depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale and the date that the asset is derecognized.

Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate.

# (d) Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses on derecognition are recognized within other income in profit or loss.

## 3.2 Leased Assets

Leases in terms of which the Board assumes substantially all the risk and rewards of ownership are classified as finance leases. Upon initial recognition the leased asset is measured and capitalized at an amount equal to the lower of its fair value and the present value of minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Other leases are operating leases and, except for investment property, the leased assets are not recognized in the Board's statement of financial position.

## **3.3 Investment Property**

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, using the production of supply of goods or services or for administrative purposes. Investment property is measured at cost.

When the use of property changes from investment property to owner occupied property it is reclassified as property, plant & equipment.

## 3.4 Capital Work In Progress

Capital expenses incurred during the year, which are not capitalized as at the balance sheet date are shown as Capital work in progress, whilst the capital assets which have been capitalized during the year and put to use have been transferred to Property Plant & Equipment.

## 3.5 Intangible Assets

An Intangible Asset is recognized if it is probable that economic benefits are attributable to the assets will flow to the entity and cost of the assets can be measured reliably in accordance with the Sri Lanka Accounting Standard LKAS 38-Intangible Assets and carried at cost less accumulated amortization and accumulated impairment losses.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year-end.

Intangible assets with indefinite useful lives are tested for impairment annually either individually or at the cash-generating unit level.

# **3.6 Impairment of Non Financial Assets**

The carrying amount of the assets is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the assets recoverable amount is estimated. An impairment loss is recognized if the carrying amount of an assets or cash generating unit exceeds its recoverable amount. An impairment loss is revised if there has been a change in estimates used to determine the recoverable amount.

# 3.7 Inventories

Inventories are measured at the lower of cost and net realizable value.

The cost of inventories is comprised all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sales. The cost of the inventories is assigned by using specific identification of their individual costs and first-in-first out formulas.

## 3.8 Financial asset

## 3.8.1 Initial recognition and measurement

Financial assets within the scope of LKAS 39 are classified as financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments and available-for-sale financial assets, as appropriate and determine the classification of its financial assets at initial recognition.

All financial assets are recognized initially at fair value plus, in the case of assets not at fair value through profit or loss, directly attributable transaction costs.

The financial assets of SLTB include cash and short term investment, trade and other receivables, staff loans and other receivables.

## 3.8.2 Subsequent measurement

The subsequent measurement of financial assets depends on their classification.

# (a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term.

## (b) Loans and receivables

Loans and receivables are non- derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate method (EIR), less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the income statement.

The losses arising from impairment are recognized in the income statement in finance cost.

## (c) Held-to-maturity investments

Non- derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to -maturity when the SLTB has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortizations included in finance income in the income statement. The losses arising from impairment are recognized as finance cost in the income statement in finance cost.

## (d) Available-for-sale financial investments

Available-for-sale financial investments include equity and debt securities. Equity investments classified as available for-sale are those, which are neither classified as held for trading nor designated at fair value through profit or loss. Debt securities in this category are those which are intended to be held for an indefinite period of time and which may be sold in response to needs for liquidity or in response to changes in the market conditions

After initial measurement, available-for-sale financial investments are subsequently measured at fair value with unrealized gains or losses recognized as other comprehensive income in the available-for-sale reserve until the investment is derecognized.

# 3.8.3 De recognition

A financial asset (or, where applicable a part of a financial asset or part of a group of similar financial assets) is derecognized when,

i) The rights to receive cash flows from the asset have expired

ii) SLTB has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

(a) SLTB has transferred substantially all the risks and rewards of the asset, or

(b)SLTB has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

## 3.8.4 Impairment of financial assets

The SLTB assesses at each reporting date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset and that loss event has an impaction the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

Evidence of impairment may include indications that the debtors or a group of debtors is experiencing significant financial difficulty, default or delinquency, the probability that they will enter bankruptcy or other financial reorganization and where observable data indicate that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

## **3.9Cash and Cash Equivalents**

Cash and cash equivalents comprise cash balances, call deposits, demand deposits, and short term highly liquid investments readily convertible to known amounts of cash and subject to insignificant risk of changes in value net of bank overdrafts that are repayable on demand for the purpose of the Statement of Cash Flows.

## 3.10 Financial Liabilities

Initial recognition and measurement financial liabilities within the scope of LKAS39 are classified as financial liabilities at fair value through profit or loss, at amortized cost, or as

derivatives designated as hedging instruments in an effective hedge, as appropriate. SLTB determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, carried at amortized cost. This includes directly attributable transaction costs. SLTB's financial liabilities include trade and other payables.

## 3.10.1 Subsequent measurement

Subsequent measurements of financial liabilities are at amortized cost.

### 3.10.2 De recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires

### **3.11 Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

## 3.12Post Employment Benefits 3.12.1 Defined Benefit Plan Company

The Board has adapted the benefit plan as required under the Payment of Gratuity Act No.12 of 1983 for all eligible employees. The benefit plan is not externally funded. One month salary for every year of service to employees on retirement has been provided.

The liability recognized in the Statement of Financial Position is the present value of the defined benefit obligation at the reporting date, using the projected unit credit (PUC) method. This item is stated under non –current liabilities in the statement of financial position. Actuarial gains or losses are recognized as income or expense in other comprehensive income during the financial year in which it arise.

## 3.12.2 Defined Contribution Plans – Employees' Provident Fund and Employee Trust Fund

All employees who are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions are covered by relevant contributions funds in line with the relevant statutes. Employer's contributions to the defined contribution plans are recognized as an expense in profit or loss when incurred.
### 3.13 Voluntary Retirement Scheme (VRS)

4005 applications were received under Voluntary Retirement Scheme. During the year 2016 2,389 employees have gone under Voluntary Retirement Scheme. In the year 2017 balance number of employees have gone under Voluntary Retirement Scheme.

### 3.14 Trade & Other Payables

Trade & other payables are stated at cost.

### 3.15 Provisions

A provision is recognized if, as a result of a past event the Board has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefit will be required to settle the obligation.

### **3.16 Provision for Slow Moving Stocks**

Provisions for slow moving stocks are made when the Board identifies the impairment in inventory through its regular assessments.

### 3.17 Capital Commitments and Contingent Liabilities

Contingent liabilities are possible obligations whose existence will be confirmed only by certain future events or present obligations where the transfer of economic benefits is not probable or cannot be reliably measured.

# Statement of Comprehensive Income 3.18 Revenue

The Board revenue represents revenue from passenger Transport.

### 3.18.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Board and the revenue and the associated costs incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and sales taxes, and after eliminating sales within the Board.

### (a) Sale of Goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods.

### (b) Rendering of services

Revenue from rendering of services is recognized in the accounting period in which the services are rendered or performed.

### (c) Other Income

Revenue from dividends is recognized when the Board's right to receive the payment is established.

Profits or losses from disposal of property, plant and equipments recognized having deducted from proceeds on disposal, the carrying value of the assets and the related expenses.

Foreign currency gains and losses are reported on a net basis.

Income from scrap sales are recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods.

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease term.

### 3.19 Government Grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the costs, which it is intended to compensate, are expensed.

When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

When SLTB receives non -monetary grants, the asset and the grant are recorded at nominal amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset by equal annual installments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant.

### **3.20 Expenditure Recognition 3.20.1 Operating Expenses**

All expenses incurred in day to day operations of the business and in maintaining the property, plant and equipment in a state of efficiency has been charged to the statement of comprehensive income in arriving at the profit for the year. Provision has also been made for impairment of financial assets, slow moving stocks, all known liabilities and depreciation on property, plant and equipment.

### 3.20.2 Lease Payments

Payments made under operating leases are recognized in profit or loss on a straight-line basis over the term of the lease

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

### 3.20.3 Borrowing Costs

Borrowing costs directly attributable to acquisition, construction or production of assets that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective assets. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that Board incurs in connection with the borrowing of funds.

### 3.20.4 Net Finance Income / (Expenses)

Finance income comprises interest income on funds invested and staff loans, and changes in the fair value of financial assets at fair value through profit or loss. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expense on borrowings, unwinding of the discount on provisions, changes in the fair value of financial assets at fair value through profit or loss, impairment losses recognized on financial assets, borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

### 3.21 Related Party Transactions

Disclosure has been made in respect of the transactions in which one party has the ability to control or exercise significant influence over the financial and operating policies/decisions of the other, irrespective of whether a price is being charged or not.

### 3.22 Cash Flow

Interest received and dividends received are classified as investing cash flows, while dividend paid and interest paid, is classified as financing cash flows for the purpose of presentation of Statement of Cash Flows which has been prepared using the 'Indirect Method'.

### **3.23 Events Occurring After the Reporting**

Events after the reporting period are those events favorable and unfavorable that occurs between the end of the reporting period and the date when the financial statements are authorized for issue.

The materiality of the events occurring after the reporting period is considered and appropriate adjustments to or disclosures are made in the Financial Statements, where necessary.

#### CTP/A/NTMI/FA/01/2020/134

04 March 2022

Chairman Sri Lanka Transport Board

Report of the Auditor General on the Financial Statements and Other Legal and Regulatory Requirements of the Sri Lanka Transport Board for the year ended 31 December 2020 in terms of Section 12 of the National Audit Act, No. 19 of 2018.

-----

#### 1. Financial Statements

#### **1.1** Disclaimer of Opinion

The audit of the financial statements of the Sri Lanka Transport Board for the year ended 31 December 2020 comprising the statement of financial position as at 31 December 2020 and the statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018 and Finance Act No. 38 of 1971. My report to Parliament in pursuance of provisions in Article 154 (6) of the Constitution will be tabled in due course.

I do not express an opinion on the accompanying financial statements of the Board. Because of the significance of the matters discussed in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

#### 1.2 **Basis for Disclaimer of Opinion**

#### (a) Sri Lanka Accounting Standards

- (i) The Value of the Fixed Deposits owned by the Board had been Rs. 28,678,099 and a Fixed Overdraft Facility had also been obtained from the People's Bank. For this purpose, fixed deposits amounting to Rs. 325,100,000 had been offered as a security bond and it had not been disclosed in the Financial Statements in terms of Sections 14 a and b of the Financial Reporting Standards No. 07 (SLFRS7).
- (ii) Action had not been taken in accordance with paragraph 58 of the Standard No. 16 to separately identify the value of lands and buildings amounting to Rs. 378,104,967 and to indicate them in the financial statements.
- (iii) A portion of a land situated at Pokunuwita of Horana belonging to the Board had been vested in the Government in 2016 for the construction of highways, and the amount of Rs. 30,371,875 received as the compensation for that had been credited to the other income account without crediting the amount to the reserve account with the objective of restoring the amount again within that year. Further, action had not been taken to credit the cost of the land to the lands and buildings account and the amount of compensation received for the land had not been stated under the investment activities in the cash flow statement.
- (iv) The Board had a short-term investment (REPO) amounting to Rs.350,000,000 from the year 2018 and the interest income receivable for that amounting to Rs.2,549,442 had not been identified for the year under review and therefore, the income of the Board had been understated by that amount.
- The Board had received machinery worth Rs. 426,390,078 during the year (v) 2019/2020 under the Japan International Cooperation Programme. Out of the machinery, 90 items worth Rs. 189,343,036 had been items received Page 2 of 11

in the year 2019 and action had not been taken to debit the machinery to machinery account in the year 2019 and to credit the machinery to capital grants account. An amount of 38,663,394 had been paid as customs duty in 2019 to release these assets from customs. This value had been capitalized and an amount of Rs. 322,194 had been depreciated in contrary to Sri Lanka Accounting Standards No. 16. Accordingly, the depreciation had been overstated by that amount in the accounts.

- (vi) Although government grants should be separately indicated in the statement of comprehensive income as per paragraph 29 of the Standard No. 20, Season Tickets amounting to Rs.5,677,857,594, subsidies of Sisu Seriya and Nisi Seriya had been indicated under operational income in the statement of comprehensive income.
- (vii) Although the fair value of the finance leases should be identified as the assets and liabilities in the statement of financial position in terms of paragraph 20 of the Standard 17, 272 ordinary buses with 50 seats and 53 buses with 33 seats worth Rs. 1,046,559,865 purchased during the year of 2019/2020 under the lease method had not been indicated under assets in the statement of financial position. Moreover, an advance of Rs. 263,435,339 paid to purchase 325 buses had not been debited to the lease creditor account and as a result, the lease creditor account had been overstated by that amount.
- (viii) As an amount of Rs. 187,186,000 received as interest income had been indicated as a cash inflow amounting to Rs.184,884,817 in the cash flow statement in terms of Standard No. 07, amounts received from investment activities had understated by Rs.2,301,826.
- (ix) Investments amounting to 1,020,000,000 made during the year under review had not been recorded as cash flow under investment activities in the cash flow statement in terms of Standard No. 07.
- (x) The increase of Rs. 59,060,290 in fixed deposits during the year under review had not been indicated under investment activities in the cash flow statement in terms of Standard No. 07.

- (xi) Although the difference in the payments to creditors account in the year under review and the previous year was Rs. 326,008,840, cash flows had been overstated by Rs. 17,398,940 in the cash flow statement due to stating a sum of Rs.343,407,781 as adjustments under operational activities in the cash flow statement.
- (xii) Although the value had to be revalued at the time of selling of the land as per paragraph 34 of Standard No. 16, the Verahera land belonging to the Board had not been re-valued in the year 2018 at the time of selling the land to the General Sir John Kotelawala Defense University. An amount of Rs.4,554,000 had been received for this up to the year under review, and that amount had been credited to the creditor account. Accordingly, the creditor account had been overstated by that amount. Furthermore, the selling value of the land amounting to Rs. 5,000,000,000 had not been credited to the asset account.
- (b) A sum of Rs. 4,470,901 received by providing the stadium, accounted under fixed assets of the Board, to outsiders and institutions for sports activities had not been credited to the income of the Board and it had been credited to sports clubs account and as a result, the income of the Board had been understated by that amount in accounts.
- (c) The down payment of Rs. 263,435,339 made for 325 buses that were obtained through lease method during the year under review had been indicated under payments in advance.
- (d) Any audit evidence related to debit balances of dormant accounts amounting to Rs.1,290,782,781 and credit balances of dormant accounts amounting to Rs.18,526,264,783 indicated in the statement of financial position had not been submitted to audit. Furthermore, schedules and source schedules related to 09 account items amounting to Rs. 23,386,714,900 had not been submitted to audit.
- (e) The total amount of Rs. 4,054,000,000 comprised of Rs. 2,000,000,000 received in the year 2018 from the General Treasury for vesting a land located in Werahera and belonging to the Board in the Kotelawala Defense University and Rs. 2,054,000,000 received in the year under review had not been accounted

accurately and it had been indicated under other balances payable. The amount received during the year under review had not been indicated under investment activities in the cash flow statement.

- (f) Although computers and Information Technology equipment should have been indicated under fixed assets, computers and equipment amounting to Rs.42,878,983 had been included under stationery and as a result, fixed assets in the statement of financial position had been understated by that amount.
- (g) Fixed assets had been understated by Rs. 111,937,066 in the statement of financial position due to indicating ticket machines, valued at Rs. 378,354,463 according to bin cards related to the ticket machines, as Rs. 266,471,937 in the financial statements.
- (h) The values of the lands and the buildings had not been identified separately and a depreciation value for that amounting to Rs. 1,569,663 had been stated in the financial statements during the year under review.
- (i) Action had not been taken to capitalize air conditioners worth Rs. 1,935,404.
- (j) The Board had not identified the accounting policy in relation to the accounting of the computer software and computer software amounting to Rs. 31,394,194 had been indicated under property, plant and equipment.
- (k) Although the daily road passenger income had been Rs. 57,150,354 according to the trial balance, balance of cash in hand had been overstated by Rs. 3,422,977 as the daily road passenger income had been indicated as Rs. 53,727,377 in the statement of financial position.
- (I) Although the trade creditor balance had been Rs. 2,686,472,044 as per the trial balance, creditor balance had been understated by Rs. 30,830,745 in the financial statement due to indicating the trade creditor balance as Rs. 2,655,641,299 in the statement of financial position.
- (m) Although the interest income had been indicated as Rs.184,884,183 in the income received account, it had been Rs. 189,634,228 as per the balance sheet. Accordingly, interest income had been understated by Rs. 4,750,045 in the

statement of comprehensive income and as a result, income of the year under review had been understated by that amount.

- (n) Although other income had been indicated as Rs.11,986,655 in accordance with the accounts records, actual value of other income as per the trial balance was Rs.14,471,809. Accordingly, other income had been understated by Rs. 2,485,154 during the year under review.
- (o) Although the income received from driving training schools had been stated in the accounts as Rs.13,894,207, that income according to the trial balance had been Rs.14,471,809. Accordingly, the income of driving training schools had been understated by Rs. 20,449,386.
- (p) Although military passport income had been Rs. 142,858,305 as per the accounts note No. 15, it had been Rs. 147,095,230 according to financial statements. Accordingly, the income had been understated by that amount due to the inclusion of Rs. 4,236,925 in the financial statements.
- (q) As the income earned from the online bus reservation fees amounting to Rs.1,140,750 had been included in the online reservations control account as an expense payable, income had been understated by that amount.
- (r) Since the value of fuel stock amounting to Rs. Rs.2,180,071 had not been included in the stock value of the statement of financial position, the stock balance had been understated by that amount.
- (s) Since the amount paid as the annual bonus had been Rs.291,894,499 as per the financial statements and it had been indicated as Rs.291,347,479 in the trial balance, an amount of Rs.547,020 had been overstated in the financial statements.
- (t) The creditor balance of the Petroleum Corporation for the year under review as per the financial statements and the trial balance had been Rs.41,491,285 and Rs.63,997,291 respectively. Accordingly, that balance had been understated by Rs.22,506,006 in the financial statements.

- (u) Detailed schedules and age analysis had not been submitted for trade and other accounts receivable valued at Rs. 2,864,130,067 and balances of accounts payable valued at Rs. 11,524,081,084.
- (v) Condemned buses worth Rs. 1,367,754,792, which had been fully depreciated had been indicated under property, plant and equipment in the statement of financial position for 5 years and the Board had not taken necessary action in that regard.
- (w) According to the financial statements for the year under review, there had been a surplus of fuel stocks amounting to Rs. 6,459,777 and it had been indicated as income in the profit and loss account and the Board had not paid attention in that regard.

As described above, material items included in the statement of financial position, statement of comprehensive income, statement of changes in equity and the cash flow statement could not be confirmed or verified by alternative methods. As a result, I was unable to determine whether it is required to make any adjustments regarding the recorded or unrecorded values or transactions of the values or items that make up the statement of financial position, statement of comprehensive income and the cash flow statement.

## 1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

As per Section 16 (1) of the National Audit Act No. 19 of 2018, the Board is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the Board.

### **1.4** Auditor's Responsibilities for the Audit of the Financial Statements

My responsibility is to conduct an audit of the Board's financial statements in accordance with Sri Lanka Auditing Standards and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section, I was not able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

### 2. Report on Other Legal and Regulatory Requirements

- 2.1 National Audit Act, No. 19 of 2018 includes specific provisions for following requirements.
- 2.1.1 I have not obtained all the information and explanation that considered necessary for the purpose of audit and I was unable to determine whether proper accounting records have been kept by the Board as per the requirement of Section 12 (a) of the National Audit Act, No. 19 of 2018.
- 2.1.2 The financial statements presented is consistent with the preceding year as per the requirement of Section 6 (1) (d) (iii) of the National Audit Act, No. 19 of 2018.
- 2.1.3 The financial statements presented includes all the recommendations made by me in the previous year other than the observations a (i) (ii) (iii) (iv) (v), (b), (c), (d), (e), (f) as per the requirement of Section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018.
- 2.2 Based on the procedures performed and evidence obtained were limited to matters that are material, nothing has come to my attention;

- 2.2.1 to state that any member of the governing body of the Board has any direct or indirect interest in any contract entered into by the Board which are out of the normal cause of business as per the requirement of Section 12 (d) of the National Audit Act, No. 19 of 2018.
- 2.2.2 to state that the Board has not complied with any applicable written law, general and special directions issued by the governing body of the Board as per the requirement of Section 12 (f) of the National Audit Act, No. 19 of 2018, except for the following observations;

# Reference to Laws, Rules / Direction

(a) Environmental Act No. 47
 of 1980 and Gazette
 Extraordinary No. 1533/16
 dated 28 January 2008.

# Although all depots are required to obtain a license for servicing vehicles, any depot of the Board had not taken action to obtain such a license. Moreover, the Board had not paid attention on the cleaning of the depot premises.

**Observations** 

(b) Public Enterprises Circular
 No. PED / 12 dated 02 June
 2003

(i)

- Section 5.1.2 Although the Action Plan should be prepared based on the objectives and goals, the Board had not acted accordingly.
- (ii) Section 5.2 Although the budgeted income and expenditure statement, budgeted balance sheet, budgeted cash flow statement and budgeted capital expenditure are required to be submitted in the preparation of the Action Plan, the Board had not acted accordingly.

- (iii) Section 6.5.1 Although the financial statements for the year under review must be submitted for audit within 60 days after the end of the year, the financial statements had been submitted on 26 October 2021 with a delay of 306 days.
- (iv) Section 9.2 The organizational chart of the institution and schemes of recruitment and promotion related to that had not been prepared and approved by the Department of Management Services.
- (c) Public Finance Circular No. Although the Sustainable Development Goals
   2020/02 dated 28 August need to be identified and action should be taken
   accordingly as per the Circular, the Board had not acted in compliance with the relevant Circular.
- 2.2.3 to state that the Board has not performed according to its powers, functions and duties as per the requirement of Section 12 (g) of the National Audit Act, No. 19 of 2018.
- 2.2.4 to state that the resources of the Board had not been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws as per the requirement of Section 12 (h) of the National Audit Act, No. 19 of 2018

### **3.** Other Audit Observations

- (a) The Board had not paid attention to recover the conductor arrears of Rs.6,141,909, which had been existing for more than 02 years.
- (b) The product account of the Board shows a loss for more than 03 years and the production deficit for the year under review was Rs.75,236,872. The Board had not focused its attention on making the manufacturing plants profitable by using them at maximum capacity and thereby minimizing costs.

- (c) Although the income earned from the filling stations during the year under review had been Rs. 2,125,594, a gross operating loss had incurred due to the payment of Rs. 4,576,001 for salaries and other allowances.
- (d) The filling stations have been incurring losses continuously for more than 03 years and the Board had not taken any action in that regard.

W.P.C. Wickramaratne Auditor General
